PUBLIC SCHOOLS

2022-2023
SCHOOL YEAR

Returning Through Relationships

District Calendar / BACK-TO-SCHOOL INFORMATION

Minnesota's first and only school district to provide the

full E-12 International Baccalaureate Continuum

A Message from Superintendent Dr. Kim Hiel

Welcome Back to School, Fridley Families!

I am so happy to welcome our students, families and staff back to school for the 2022-2023 school year! We hope you are having a wonderful summer that is filled with fun, opportunity and good health. We have been busy preparing for the new year and are eager for the return of the hustle and bustle of students filling our buildings.

This past school year, we focused on Returning through Relationships. During the third school year to be impacted by the global COVID-19 pandemic, we felt it was important to find ways of encouraging our learners to connect with each other and their school communities in person as much as possible. I am pleased with the efforts everyone has made – parents, staff and students – to adapt with us through changes and support our young people as they continue in their educations.

Dr. Kim Hiel

Fridley Public Schools continues to be the only school district in the state of Minnesota authorized to offer the full International Baccalaureate (IB) Continuum from preschool through high school. If we have learned anything from the IB Programmes, it is that they prepare our students well for their journeys ahead. It is exciting to see Fridley students displaying the characteristics the IB Programmes develop in them, and how they interact with others in building relationships.

As our school teams and administrative personnel prepare for this upcoming school year, I want to thank all of you for the continued support you have shown the district and its students. Without each of you contributing to student success, Fridley wouldn't be the world-class community of learners it is.

Kim Hiel, Ed. D.
Superintendent, Fridley Public Schools

Our Mission:

As a world class community of learners, Fridley Public Schools aims to develop internationally minded students. We challenge ourselves, our students, and our community to become caring and knowledgeable life-long learners who inquire and take action to create a better world.

Find your Fridley Pathway to College & Career Success

Join us! Your journey to college and career begins here!

The International Baccalaureate (IB) Continuum

Minnesota's first and only district to provide the full IB Continuum from Pre-K through Grade 12

Fridley Public Schools is Minnesota's first and only school district to offer the full IB Continuum from Prekindergarten to Grade 12.

Fridley Preschool, Hayes Elementary, Stevenson Elementary, Fridley Middle School and Fridley High School are all authorized IB World Schools. Our IB World Schools provide rigorous transdisciplinary curriculum that emphasizes inquiry-based learning, creative problem solving, hands-on projects, global focus, and taking action in the community.

By offering the IB programmes across all school levels, our district is equipping students with the skills they need to be successful in a globalized economy. Education through the IB framework has an emphasis on international mindedness, rigorous curriculum and assessment, instruction in a second language, and teaching the whole child. At Fridley, all students have the opportunity to learn Spanish from kindergarten to high school and have the option to add Chinese Mandarin beginning in 5th grade.

Through the IB framework, we focus on...

Holistic Development

Real World Connections

Intercultural Understanding

Transdisciplinary Approach

Serving Your Community

From Fridley Preschool to Fridley High School, students are equipped to thrive in today's globalized economy

FRIDLEY HIGH SCHOOL Double Your Diplomas at Fridley High School!

IB DIPLOMA PROGRAMME (DP)

Earn your IB Diploma, a significant credential for high caliber college admissions

Our Full Diploma Programme provides all students the opportunity to earn an internationally-recognized IB Diploma through the advanced, rigorous IB DP Pathway that readily prepares students for college-level coursework. IB DP also provides opportunity to earn college credits.

Tiger Club offers before-/after-school care. Through our 4-Star Parent Aware-rated program, we provide fun-filled activities for students.

YOUTH ENRICHMENT

We provide many enrichment opportunities for youth that extends beyond the regular school day. Our classes allow children to explore their interests, learn new skills, challenge themselves, and make lifelong friends!

Is your child ready to start school?

Schedule an Early Childhood Screening!

An early childhood screening is required by Minnesota state law prior to entrance into public school. It is an early look at how your child is growing and developing. Screenings are conducted at the Fridley Community Center (6085 7th Street NE) throughout the year. Please check the calendar for dates and times!

Call 763-502-5111 or visit <https://fridley.ce.eleyo.com> to schedule an appointment!

(Appointments required)

For more information about screening, contact Mora Slifka at 763-502-5157.

Are you new to the Fridley School District?

Contact us today!

Welcome to the Fridley community! If you have recently moved into district boundaries, please contact our enrollment coordinator to be added to our contact list. This will enable us to provide you with information about our schools, programs and opportunities for you and your family. Please contact Lori O'Dowd at 763-502-5081.

In addition to preschool - grade 12 schools, the Fridley Community Education program provides lifelong learning opportunities for all ages - from childcare for newborns, toddlers, and school-aged children to youth and adult enrichment to senior citizen programs. For more information on Community Ed. opportunities, please contact:

STUDENT DATA PRIVACY POLICY

It is the policy of the Fridley Public School Board that the District comply with the Federal Family Rights and Privacy Act and Minnesota Government Data Practices Act. Parents/guardians or eligible student has the right to file a complaint with the US Department of Education regarding an alleged failure by the District to comply with federal and state law. A complete copy of Policy 515 Protection and Privacy of Pupil Records is available on the website.

Educational records which identify or could be used to identify a student other than directory information, may not be released to members of the public without the written permission of the student's parents or guardians or the student if s/he is 18, attends a post-secondary institution, is married, or has graduated. This general rule is subject to specific and limited exceptions which are set out in district policy.

Directory Information may be released to the public without permission of the student, parent, or guardian. Directory Information includes: the student's name, date and place of birth, class designation Fridley School District or grade level, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, photograph, and the most recent previous educational agency or institution attended. Directory information does not include data which references religion, race, color, social position or nationality.

It is the practice of district to release educational records to educational institutions to which as student intends to enroll or has enrolled including suspension and expulsion records without notifying the student or parent/guardians prior to the transfer. Upon request, the district will provide the student or guardians with a copy of the educational records which have been transferred and provide an opportunity for a hearing to challenge the content of those records.

If a student or parent/guardian does not want some or all of this data to be made public, they must notify their school principal in writing by September 30 of the applicable school year. If they choose to deny release of all directory information, the student will be excluded from such published lists as honor rolls, press releases regarding sports achievements, honors received, and athletic/arts/music/theater/academic printed and electronic programs/publications. A request to deny release of information must be requested in writing each year.

2022-2023 ANNUAL REPORT ON CURRICULUM AND INSTRUCTION AND STUDENT ACHIEVEMENT

The Fridley Public Schools annual World's Best Workforce (WBWF) Report will be available on our website on November 1, 2022. The report includes a review of student achievement, curriculum development, school improvement, and staff development.

If you would prefer to have a copy of this report mailed to you, please contact the department of teaching and learning at 763-502-5005.

If you have any comments or questions about the report or are interested in providing input and feedback on the goals, strategies and progress of the District's World's Best Workforce plan, please contact the director of teaching and learning at 763-502-5005. Notice of WBWF public hearings will be posted on the school website.
